SEMINAR / WEBINAR

PLASTICS IN CARBON-NEUTRAL AND BIOCIRCULAR ECONOMY

WEDNESDAY
16. DEC 2020
8.30 AM–4.00 PM (EET)

PROGRAM

8.30	**Registration and coffee**
9.00	**Opening of the seminar** Vesa Kärhä ▸ Finnish Plastics Industries Federation
9.15	**Politician, decision-maker** Officer from EU level
9.45	**Green Lahti – European Green Capital 2021** Milla Bruneau
10.15	**Boosting bioplastic innovations** Sauli Eerola ▸ Muovipoli Oy
10.30	***BREAK***
10.45	**Carbon neutral plastics in packaging industry** Josefina Pönkkä ▸ Wipak Oy
11.15	**Case Wiitta** Wille Viittanen ▸ Wiitta Oy
11.45	***LUNCH***
12.45	**Biosykli – Circular Bioeconomy in Lahti Region** Vesa Taitto ▸ The Finnish Plastics Association
13.00	**PHA production from sludge** Merja Kontro ▸ University of Helsinki
13.30	**Power to plastics** Ville Uusitalo ▸ LUT University
14.00	***COFFEE***
14.30	**Neste's approach to renewable and circular carbon solutions** Maiju Helin ▸ Neste Oyj
15.00	**Biobased plastics in circular economy** Anna Fråne ▸ IVL Swedish Environmental Research Institute Marjo Ketonen ▸ Arctic Biomaterials Oy
15.30	**Closing remarks**

The Seminar will be held in English and it will be organized as a hybrid format: participant can be on the spot in NiemiCampus or online.

Organizers: New Plastics Center NPC, Finnish Plastics Association and BIOSYKLI - Circular Bioeconomy in Päijät-Häme Region-project (LAB University of Applied Sciences). Due to COVID-19 situation organizer can limit the number of participants at Campus or arrange seminar only as a webinar.

MUOVI SOLUTIONS · LAB University of Applied Sciences · New Plastics Center · PÄIJÄT-HÄMEEN LIITTO · European Union European Regional Development Fund · Leverage from the EU 2014–2020
