E - parking application

- Download the e-parking app on your phone from the Play Store or App Store (eParking Suomi)
- You can also sign a parking contract online at the e-parking website. www.eparking.fi
- Register as a user
- New user instructions can be found at <https://eparking.fi/en/newuser>
- It is possible to reserve a parking space on a continuous basis (12 months) or on a temporary basis (1 month - 12 months)
- You can add multiple registration numbers to the system
- Make sure the registration number you entered is correct
- Payment for the parking place can be done by debit or credit card. You can also make a payment with your online banking account
- Selecting a parking place is possible from the areas where locations are defined for your company/ school. The application map shows available areas.

You get a key to the heating pole from the lobby by displaying a parking contract

Student parking

P3 180 free parking places

If free spaces are full , you can make a parking contract in the P3 area 2 € / month

Students can park in the P2 and P3 areas free of charge on weekdays after 4pm and during weekend all day.

Electric vehicle charging stations in areas P1 and P4 are for charging vehicles only and not for other parking purposes

Other general things

- The first hour of guest parking spaces are free. After the first hour you will be charged € 0.50 / h
- Guest parking spaces are reserved for visitors, not regular users of the property.
- Car charging stations (P1 and P4) are free of charge
- Parking disc or permit tags are not required at any parking area.
- Parking control will be performed in all areas
- There will be a transitional period for parking control. During September, parking control will leave a note for cars without a parking permission.
- Cancellation of the parking penalty will only be done if the e -parking application does not work
- Complaints about parking penalty can be made to asiakaspalvelu@parkarea.fi
- Guidance on how to reserve a parking space is available at the lobby.

Guest and event parking

- Visitors can park at the guest parking spaces by informing the registration number and time of stay in the lobby. The lobby registers the registration number in to the system
 - Announce the company and host whom you are visiting at the property
- If the visitor parking spaces are full, guests have the opportunity to park on unmarked areas in the P1 area. The registration number is reported to the lobby, which registers it in to the system.
- At the moment, event parking is arranged on the P1 area.
- Events for less than 80 participants. Guests will inform lobby about car registration number. Parking in unmarked places in P1 area.
 - Preliminary notification of the event to the lobby email address aula.m19@fi.issworld.com
- Events for more than 80 participants. Parking in P1 area at unmarked areas. In large events, no parking control is performed in the P1 area.
 - Preliminary announcement of big events birgitta.tunttunen@iss.fi
