

A LIVE STREAM GUIDE FOR STUDENTS OF LUT UNIVERSITY AND LAB UNIVERSITY OF APPLIED SCIENCES DURING ORIENTATION DAYS

Open the link you have received in a browser (preferred Firefox or Chrome).
The link is like *https://echo360.org.uk/section/...../public*.

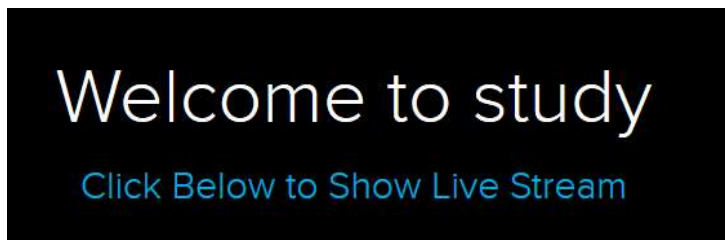

The link will open a page where one or many coming live streams classes are visible.

For example:

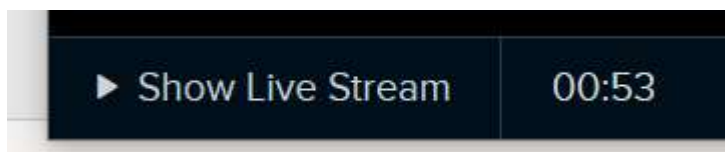

Date and start/end time of the live stream are shown. If LIVE is seen gray, the live stream has not started yet, but you can open it 5 minutes before the start and wait. Started stream is shown with green **LIVE**

When the live stream starts, this is shown:

Click bottom left **Show Live Stream** to start:

Live stream will be shown on your screen.

The recording of the live stream is available on the same page later.
